# Kaimanu Hosts San Leandro Channel Race

Over 20 crews of paddlers, totaling 174 people, flocked to the San Leandro Marina for the San Leandro Channel Race, hosted by the Kaimanu Outrigger club last weekend.

Paddlers from all over Northern California from as far away as Sacramento came to compete, according to Kaimanu head coach Debbie Green.

Kaimanu Outrigger Canoe Club came in second place in the Open Coed Division. There was also a Keiki Crew (for children) that competed on a short course.
